PWTAG 2019

INTRODUCTION

Welcome to this our first Annual Conference.

Thank you to our sponsors:

FT Leisure

Institute of Swimming

JAK Water Systems

Prominent Fluid Controls

Water Treatment Products

Without which today would not have been possible.

TODAYS EVENT

We have some 100+ delegates and 8 invited speakers from within the industry.

There will be two question and answer sessions, one prior to lunch and one at the end of the day

Lunch will be at 12.45, and provide time to visit our sponsors stands

HOUSEKEEPING

Fire alarms – none planned in the event of the alarm sounding exit to the front and rear of the hall

Toilets – to the right of the trade stands

Lunch – two buffet stations in the area to the right of the trade stands

PWTAG 2018 – THE COUNCIL

Two of our longstanding Technical Advisers,
Dave Whittingham

and Andy Elphick
have retired this year.

In appreciation of their service they have been made Life
Members of PWTAG, joining Dr Phil Penny.

Joining The Council is the Industry Forum Chair, Simon
Whittingham and Training Forum representative Mike
Shuff as their respective representatives.

THE EXECUTIVE – PWTAG DIRECTORS

Dave Whittingham has retired and been replaced by Tom Devin

Steve Carder has resigned as Treasurer and taken on the role of Company Secretary

Richard Lamburn has taken on the role of Treasurer

THE INDUSTRY FORUM

Has been re-joined by:

Barr & Wray Ltd

Palintest Ltd

And new members

Pool Sentry Ltd

Air Products Ltd

Resigning members:

Grundfos Pumps Ltd

THE TRAINING FORUM

Has been joined by:

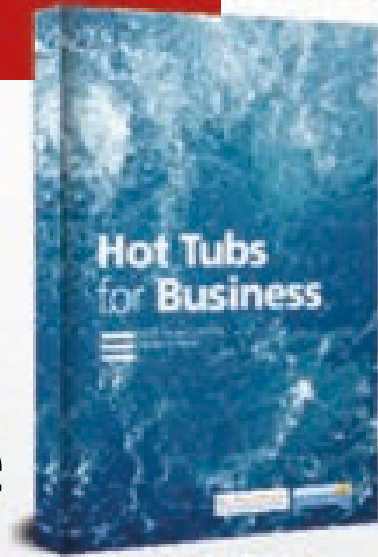

The Institute of Swimming

And the application for accredited trainers is being processed for

The Swimming Teachers Association

HOT TUBS FOR BUSINESS

This publication is the first in a series of 3 booklets aimed at the Hot tub and Spa pool operators.

It is based on HSG282 but expanded to include the technical aspects associated with running and operating a hot tub/spa. It has been some 18 months in production

TECHNICAL NOTES

- Understanding Breakpoint Chlorination
- Phosphate in Pool water
- Dechlorination of backwash water prior to discharge
- Residual control
- Choosing an acid pH correctant

PWTAG APPROVED CODE OF PRACTICE

The Code of Practice has now been revised and is currently being formatted for uploading to the website.

It's launch will be followed by revisions to the Training Syllabus which will also reflect changes incurred from Swimming Pool Water 2017.

POOL WATER POCKET GUIDE

We are currently on the 3rd Draft of the Pool Water Pocket Guide.

Designed to be waterproof and to fit in your pocket for use in the plant room and on poolside.

Estimated launch date latter part of 2019.

International Swimming Pool Conference – Marseilles 19-22nd March 2019

The UK will once again be represented. We have submitted an abstract

Validation And Application Of Cryptosporidium Assays For Swimming Pool Waters And Filter Backwash

To be presented by Prof. Rachel Chalmers

PWTAG 2019

Production and publication of :

2nd Spa Pool handbook: Commercial spas
Pool Water Pocket Guide

Technical Notes:

Filtration

Circulation

2nd Annual Conference – Nov/Dec 2019
